

Wash Off Labels

Another Trusted ViraTek Product

Labels and adhesive completely disintegrate in warm water, leaving no residue behind. Choose from different designs, sizes or customized labels.

ViraTek, Inc.

ViraTek, Inc. offers a complete line of “Wash-Off Labels” to meet the needs of your facility

Vanishing labels do exactly that.....vanish! The labels and adhesive completely wash off of your racks, cages, equipment, stainless steel, hard plastics and other items in under 30 seconds as you run them through your wash cycle.

The labels leave absolutely no residue either on the equipment or in the washer. Nothing to clog up your drains! The labels can also be used on items not run through washers; simply wipe the label off with a damp sponge. Labels completely disappear in warm water!

Save money - Your staff will save countless hours by eliminating the need for scraping, peeling, or cleaning with acetone and other chemicals to remove labels and adhesive residue on clean equipment. Wash-Off Labels will give your equipment a cleaner appearance and reduce the bacteria that grows on adhesive residue. Customers report that AALAC has cited facilities for adhesive residue on equipment and cages.

Choose from Pre-Printed, Blank or Custom Printed

ViraTek offers stock pre-printed labels, blank labels and customized labels for your facility in a variety of sizes.

Choose your packaging:

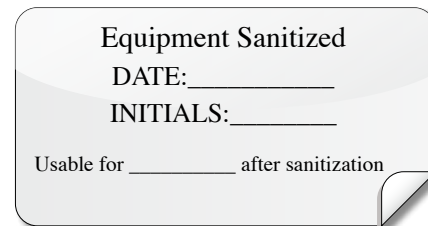

1. Order your labels *shrink-wrapped* to MAXIMIZE their shelf-life. Then, simply insert a roll of labels into the durable polycarbonate plastic dispenser (Item #DISP- image below). The dispenser is designed to reduce exposure to air and moisture, keeping the labels viable for as long as possible.

2. Your labels can be packaged in a disposable cardboard *blisterpack* dispenser at no additional charge. These dispensers do not seal out air or moisture, therefore maximum shelf-life may not be achieved, depending on storage conditions.

Pre-Printed Stock Wash-Off Labels are ready to be shipped to your facility. Simply pull out and tear off the desired number of labels for each use. **Store labels for up to 6 months in a cool, dry location.**

Custom Printed Wash-Off Labels

How to Order Custom Printed Wash-Off Labels

- Just email or fax a typed sample of what you want custom printed on your label and the size label you need.

Standard Sizes

$\frac{3}{4}$ "x $\frac{3}{4}$ "	2"x2"
1"x1"	2"x3"
1"x2"	2"x4"

Round labels also available for custom printing.

To maximize the label shelf-life, order your labels shrink-wrapped and insert a roll in the dispenser as needed.

- A layout will be emailed for your approval and then submitted to the printer for a price quote.
- Custom labels require a minimum order quantity—usually 5 rolls. Once an order is placed, the labels take 2-3 weeks for processing.
- Choose your packaging type—Shrink-wrapped or Blisterpacked (see page 2 for details)
- Email or call ViraTek with the chosen label layout, quantity and packaging information.
